RE: HARR v. WRAL-5 News – Scheduling Order for Discovery Plan

Hey, Attorney Martin,

Just to inform you, it is my intention to timely file a reply to your Motion to Dismiss.

I write now to address the Rule 26(f) meeting which must occur by September 9, 2020 to enable a scheduling order for this case. Being retired, my calendar is clear and extremely flexible. I will be available to meet with you at your office under social distancing protocol or over the phone at any time of your convenience in order to produce a proposed discovery plan.

I am in receipt of a list of approved mediators from the Clerk's Office, and from that list I do not know and am not familiar with any of the listed. Any mediator of your choosing is fine with me as long as there exists no conflict with you or your clients; and I would prefer a mediator located in downtown Raleigh or near your office... in walking distance.

Get in touch with me at your convenience by phone (919.601.1817), text, e-mail, or postal at any time of the day or night so that we can work on the proposed discovery plan. Thank you.

Look forward to hearing from you and stay safe.
